Dear Doctors, Students, and Friends,
Greetings from the Homoeopathic Medical Association of India (HMAI), West Bengal State Branch.

It gives us immense pleasure to announce that the 66th West Bengal State Homoeopathic Practitioners' Conference & Scientific Seminar– 2026, to be held on 21st and 22nd November 2026 (Saturday & Sunday) at the prestigious Bose Institute (Basu Bigyan Mandir), Unified Academic Campus, Sector -V, Salt Lake, Kolkata.

Theme:"**Evidence, Innovation and Integrative Healthcare: The Roadmap in Viksit Bharat 2047**"

The theme reflects India's collective aspiration towards *Viksit Bharat 2047* and underscores the indispensable role of Homoeopathy in shaping the future of healthcare through scientific evidence, innovation, interdisciplinary research, and integrative medical practices. The conference aims to explore how Homoeopathy can meaningfully contribute to a healthier, more inclusive, and scientifically progressive India.

We are privileged to host this academic congregation at the Bose Institute, founded by the illustrious Acharya Sir Jagadish Chandra Bose in 1917. Revered as one of India's foremost centres of scientific excellence, the Institute has been a beacon of pioneering research and intellectual pursuit for over a century. Its rich scientific legacy provides an ideal setting for deliberations on the future of evidence-based and integrative healthcare.

The Conference is expected to witness the participation of nearly 700 delegates and participants from across the State, India, and abroad. Eminent homoeopathic physicians, researchers, academicians, and luminaries of the homoeopathic world will grace the occasion and enrich its scientific sessions.

To commemorate this landmark event, a colourful and knowledge-enriched Commemorative Souvenir will be published featuring scholarly articles, contemporary research, and scientific advancements highlighting the efficacy and evolving role of Homoeopathy in modern healthcare.

We, on behalf of the Organising Committee, earnestly invite you to be a part of this mega academic event and contribute towards making it a grand success.
Let us come together to celebrate the spirit of scientific inquiry, innovation, and holistic healing as we chart the roadmap for Homoeopathy in Viksit Bharat 2047.

Thanking you,
